

THE HOT AUGUST NIGHTS FOUNDATION AND THE BOYS & GIRLS CLUB OF THE TRUCKEE MEADOWS MAKE A DIFFERENCE

With the purpose being to assist in-need and at-risk children, The Hot August Nights Foundation, together with The Boys & Girls Club of The Truckee Meadows, is making a difference in the lives of student's throughout the Reno-Sparks Community.

The Foundation's goal is to work with community leaders and educators within the area to help identify kids that are in need and at risk of not completing their education. The Foundation provides scholarships to graduating seniors who are involved in the Boys & Girls Club of The Truckee Meadows, making the partnership a natural with the two organizations pairing up to discover appropriate scholarship recipients.

"For a lot of kids here, it's not where they'll go to college, but if they'll go to college," said Mike Wurm, Chief Professional Officer of the Boys & Girls Club. "We have good, deserving kids who just don't have the financial support they need to pursue further education. These scholarships make all the difference for them, and we can't thank the Hot August Nights Foundation enough for what they're doing to make college a reality for these students". Wurm added, " Hot August Nights has always been a predominant Event here in the area, but I think the Foundation has really cemented the idea that it's all done for the community; giving back to the area. This tremendous Event is making our community better."
